PAVEL NOVOTNY
Building Services Engineer - Munich

PROFILE
Building Services Engineer with 13 years of professional experience. Working principles I stand for: quality craftsmanship, safety first and respect.

EXPERIENCE
Building Services Engineer - Beta Facility Group (2015-2026)
- Kept tenants and clients informed on site, from access times to repair schedules.
- Followed work safety procedures and carried out risk assessments before jobs.
- Led monthly toolbox talks and site risk assessments; zero recordable incidents in 3 years.
- Carried out planned electrical maintenance and repairs on commercial installations.
- Performed sanitary maintenance, pipework repairs and leak fixes.
- Serviced heating ventilation and air conditioning systems on site.
- Mounted shelves and repaired door frames.
- Monitored and adjusted building management system controls for the property.
- Administered the BMS for 120,000 sqm of property; alarm handling time halved.
