## Curriculum Vitae

**Curriculum Vitae - Felix Baumann Karlsruhe, Germany - felix.baumann@example.org**

**Education MSc Physics, Karlsruhe Institute of Technology (2021 - 2024), grade 1.6. Thesis: "Simulation-Based Inference for Detector Data" - normalizing flows and posterior estimation; the methodological core is machine learning. BSc Physics, Karlsruhe Institute of Technology (2017 - 2021).**

**Work experience Student research assistant, detector laboratory (2021 - 2024): data reduction pipelines, uncertainty propagation, code review in a small team.**

**Skills Python (4 years), NumPy, PyTorch (thesis work, self-taught beyond coursework), Git, probability theory, statistics, simulation-based inference, machine learning fundamentals. Presented my thesis at the laboratory colloquium.**

**Languages German (native), English (C1).**
